Facility Status and Inspections

Update: Animal Care is only conducting inspections in response to the most serious animal welfare concerns, and only if social distance can be maintained during the inspection.

Semiannual Program Review and Facility Inspections

- Can delay as long as necessary based on the COVID-19 pandemic
- Permission or approval from the USDA is not needed
- Document the delay
- When semiannuals restart, the following semiannual would be due 6 months later
Facilities that also have Licenses

- Animal Care has limited access to mail at this time.
- To expedite the application and renewal process, we are now accepting applications and renewals online at animalcare@usda.gov or by phone at (970) 494-7478.

Essential Employees

“We know that facility employees are key to ensuring that appropriate care is provided to animals every day. State and local exceptions to travel and other restrictions are often focused on medical and emergency response personnel and may not include those employees who are so essential to the well-being of your animals. Animal Care cannot identify those essential personnel for each facility but we encourage you each to do so. And while Animal Care cannot overrule local restrictions on public citizens, we are available to explain the critical nature of the work of these essential employees to State or local officials if needed.”

Frequently Asked Questions:
Disaster Planning

Do awardee institutions need animal facility disaster plans?

Yes

- Required by the Guide (p. 35) and should define the actions necessary to prevent animal pain, distress, and deaths.
- Housing systems
- Transportation/relocation
- Essential supplies (feed, bedding, cagewash supplies)
- Policies and procedures
- Identification of emergency responders
- Personnel training
- Contingencies if power fails
How can institutions and their IACUCs best prepare for a pandemic [like COVID-19]?

IACUCs
- Must be properly constituted
- Sometimes require quorums
- Expired protocols may not continue animal work
- IACUC training and appointment

IACUC Flexibilities
- Designated member review
- Teleconferencing
- Minimum of 1 meeting per 6 months

Visit the OLAW Disaster Planning and Response Resources webpage.

Frequently Asked Questions:
Animal Care

If animals already on study were scheduled for post-op analgesia or other required treatment for clinical care, but the institution shuts down before the treatments are given, is this considered protocol noncompliance to OLAW and USDA?

**MAYBE**
Discuss with OLAW’s Division of Compliance Oversight before reporting

- “Procedures must be in place to provide for emergency veterinary care both during and outside of regularly scheduled hours.” (Guide, p. 114)
- Do not initiate new procedures requiring post-op analgesia.
If animals already on study need to be euthanized because the institution has shut down, what type of documentation or reporting is expected of the IACUC for USDA and OLAW?

**COVID FAQ VI.4.**

**LAST RESORT!**

Alternatives
- Transferring animals to a holding protocol
- Postponing unnecessary procedures or manipulations
- Relocating animals to another facility
- Cryopreservation for certain species

If animals are currently in the vivarium but experiments have not started yet, can the animals be kept temporarily on a holding protocol (per diem charges still to the grant) until animals are used at the later postponed date?

**COVID FAQ VI.5.**

**YES** [IACUC-approved holding protocol]

See **NOT-OD-20-086**

Flexibilities Available to Applicants and Recipients of Federal Financial Assistance Affected by COVID-19

If investigators halt animal work due to the pandemic, preventing congruency with the approved protocol timeline, what is required of the investigator or the IACUC? Is it acceptable to USDA and OLAW to issue a blanket statement allowing investigators to alter timelines, rather than requiring each PI to amend their study?

**COVID FAQ VI.6.**

Ramp Down Non-Essential Research
- Prioritize Daily Animal Care

**Options**
- Transfer affected protocols *en masse* to holding protocols
- Once fully operational, protocols may require modifications
Can OLAW and USDA discuss what options are available for institutions that are “shut down” and their animals must be relocated because their facility is being taken over for other functions related to COVID-19?

**COVID FAQ VI.7.**

**Options:**
- Partner with a neighboring institution to place animals there
- Move animals to another suitable building (not personnel residences)
- Cryopreservation—including through commercial institutions

Euthanasia is a last resort. Relevant conditions should be described in institutional disaster plan. The decision to euthanize needs to involve the institution’s leadership and veterinarian.

---

**Frequently Asked Questions:**

**IACUC Functions**

---

**What are these waivers we’re hearing so much about?**

They are waivers to elements of the PHS Policy.

**3 Documents Govern Animal Care and Use Programs**
- PHS Policy
- Animal Welfare Assurance with OLAW
- Guide

**V. Implementation by the PHS**

A. Responsibilities of the Office of Laboratory Animal Welfare

OLAW is responsible for the general administration and coordination of this Policy and will:

1. Have the authority to review and approve or disapprove waivers to this Policy (see V.D. of the Policy); and

D. Waiver

Institutions may request a waiver of a provision or provisions of this Policy by submitting a request to OLAW. No waiver will be granted unless sufficient justification is provided and the waiver is approved in writing by OLAW.
Functions of the IACUC

- Semiannual program review
- Semiannual facility inspections
- IACUC reports
- Protocol review
- Reporting requirements (including noncompliance and protocol suspensions)

What option is available if institutions cannot adhere to provisions of the PHS Policy due to the impact of COVID-19?

**Waivers**

- Institutional Official
- IACUC Chair
- IACUC Coordinator
- Attending Veterinarian

Waiver Request with Justification

olawdp@mail.nih.gov

What option is available if institutions cannot adhere to provisions of their Assurance due to the impact of COVID-19?

Vague PHS Policy

- Institutional Flexibility

Changes due to COVID-19

- **Temporary:** OK, as long as they meet PHS Policy requirements. No need to notify OLAW.
- **Permanent:** Update in your annual report and Assurance renewal, as necessary.

Example: Program review usually occurs at an extended IACUC meeting. Due to COVID-19, it will take place with a subcommittee and be conducted virtually.
What option is available if institutions cannot adhere to provisions of the Guide due to the impact of COVID-19?

Example: The IACUC is asked to approve extended caging and equipment sanitizing schedules outside the Guide and the facility's normal performance standards.

Guide: "...enclosures and accessories should be sanitized at least every 2 weeks (p. 70).

Result: Include in the semiannual report to IO.

Are there flexibilities available to IACUCs regarding the conduct of IACUC meetings and semiannual inspections?

See NOT-OD-20-088: Flexibilities for Assured Institutions for Activities of Institutional Animal Care and Use Committees (IACUCs) Due to COVID-19

Implementation:
- All IACUC members apprised prior to implementation
- Permanent changes recorded in 2020 annual report to OLAW
- Assurance is updated at renewal, as necessary

Do institutions need a waiver to implement the flexibilities in OLAW’s NOT-OD-20-088 regarding the conduct of semiannual facility inspections and IACUC business? Does USDA concur?

Conduct of Semiannual Facility Inspections: No waiver needed
- Timing of facility inspection = Date of previous inspection + 6 months + 30 days (no drift year-to-year)
- Use of qualified ad hoc consultants
- Use of AAALAC site visit
- Non-USDA regulated species, just 1 person needs to inspect

Additional OLAW and USDA-approved flexibilities: No waiver needed
- Use of ad hoc consultants to conduct virtual tours
Do institutions need a waiver to implement the flexibilities in OLAW’s NOT-OD-20-088 regarding the conduct of semiannual facility inspections and IACUC business?

**Conduct of Semiannual Facility Inspections:**

No waiver needed

Timing of facility inspection = Date of previous inspection + 6 months + 30 days (no drift year-to-year)

**What happens if you do request (and are approved for) a waiver to semiannual facility inspections?**

- **Option 1:** Get back on schedule
  - New inspection date
    - May 22, 2020
    - Oct. 1, 2020
  - Reg. scheduled inspection date
    - Oct. 1, 2019

- **Option 2:** Delay to 6 mo. (+30 day) interval
  - New inspection date
    - Nov. 22, 2020
  - Reg. scheduled inspection date
    - Oct. 1, 2019

Do institutions need a waiver to implement the flexibilities in OLAW’s NOT-OD-20-088 regarding the conduct of semiannual facility inspections and IACUC business? Does USDA concur?

- **Conduct of IACUC Meetings:** No waiver needed
  - IACUCs may:
    - Institute alternatives to face-to-face meetings such as teleconference or video conferencing (see NOT-OD-06-052)
    - Reduced IACUC meetings to as few as one every six months
    - Expand their use of designated member review in lieu of full committee review.
How may the IACUC extend a protocol that is due to expire and still meet the PHS Policy requirements?

**PHS Policy IV.C.2.**

- Shorten response time for calling for FCR (e.g., 2 days)
- Develop policy for standard extension period (e.g., 6 months)
- Distribute list of protocols due to expire to all IACUC members
- If FCR is called for, it must occur
  - Otherwise, Chair assigns protocols to a qualified, designated member
- Once approved, protocols are extended based on the IACUC policy
- Only current procedures may be extended—otherwise new amendment is needed

Do institutions need a waiver to implement the flexibilities in OALW's NOT-OD-20-088 regarding the conduct of semiannual facility inspections and IACUC business?

**COVID FAQ VI.10.**

<table>
<thead>
<tr>
<th>Will you be able to safely conduct your semiannual facility inspections within: Last inspection date + 6 months + 30 days?</th>
</tr>
</thead>
<tbody>
<tr>
<td>Yes</td>
</tr>
</tbody>
</table>

- No waiver needed
- Request a waiver

- Semiannual Inspections
  - Ad hoc consultants
  - 1 IACUC Member

- IACUC Meetings
  - Virtual meetings
  - Meeting 1x per 6 months
  - DMR vs. FCR

How can institutions request waivers if the IACUC cannot safely complete the semiannual facility inspections 30 days beyond the six-month interval from the last facility inspection?

**COVID FAQ VI.11.**

- Institutional Official
  - Waiver Request with Justification
  - olawdpe@mail.nih.gov
For USDA and OLAW, can one person broadcast virtual tours to other IACUC members as part of the semiannual facility inspections?  

**YES!**  

Flexibilities  
• PHS Policy allows flexibility in how semiannual facility inspections are conducted  
• Ad hoc consultants  
• Real-time interaction

Will OLAW approve waivers for the semiannual program review?  

**COVID FAQ VI.12.**

At this point, No. Explore flexibilities:  
• 6 months + 30 days  
• Ad hoc consultants  
• Virtual meetings  
• Electronic signatures  
• Divide and conquer  

Report must be submitted to the IO.

Ex: Semiannual Program Review under COVID-19

**OLAW Semiannual Program Review Checklists**

**Institutional Policies and Responsibilities**  
(12 sections—OLAW checklist)

- Alfred  
- Bob  
- Carrie  
- Dale  
- Fred  
- Fran  

**Veterinary Care**  
(6 sections—OLAW checklist)

- Ad hoc consultants  
- Virtual meetings  
- Electronic signatures  
- Report to IO
### COVID FAQ VI.13

Will OLAW and USDA waive quorum requirements in case the IACUC has to be convened to make decisions on short notice?

<table>
<thead>
<tr>
<th>No.</th>
<th>PHS Policy mandates a quorum under two conditions:</th>
</tr>
</thead>
<tbody>
<tr>
<td></td>
<td>• Suspension of a protocol</td>
</tr>
<tr>
<td></td>
<td>• Full committee review of protocols or significant changes</td>
</tr>
</tbody>
</table>

<table>
<thead>
<tr>
<th>Flexibilities</th>
</tr>
</thead>
<tbody>
<tr>
<td>• 1 meeting/6 months</td>
</tr>
<tr>
<td>• Virtual meetings</td>
</tr>
<tr>
<td>• Designated member review</td>
</tr>
<tr>
<td>• Veterinary verification and consultation</td>
</tr>
</tbody>
</table>

### COVID FAQ VI.14

Will there be any flexibility for the three-year complete review?

<table>
<thead>
<tr>
<th>NO</th>
</tr>
</thead>
</table>

<table>
<thead>
<tr>
<th>Flexibilities</th>
</tr>
</thead>
<tbody>
<tr>
<td>• 1 meeting/6 months</td>
</tr>
<tr>
<td>• Virtual meetings</td>
</tr>
<tr>
<td>• Designated member review</td>
</tr>
</tbody>
</table>

### COVID FAQ VI.15

USDA and OLAW, how can we continue to perform post approval monitoring activities when access to animals or animal housing areas are minimized or restricted due to COVID-19?

| PHS Policy requires IACUC oversight of animal activities, but is [intentionally] vague |
| Minimum Requirement |
| • Daily animal observations by trained personnel |

<table>
<thead>
<tr>
<th>Changes to your program?</th>
</tr>
</thead>
<tbody>
<tr>
<td>• Temporary: Prioritize health and well-being of personnel and animals</td>
</tr>
<tr>
<td>• Permanent: Update in next annual report to OLAW</td>
</tr>
</tbody>
</table>
Do institutions need to notify OLAW or request a waiver from OLAW if implementing the flexibilities described in Guide Notice NOT-OD-20-088 that are not currently described in their Animal Welfare Assurance?

**COVID FAQ VI.16.**

**NO**

Just:
- Keep IACUC members apprised before implementation
- Record permanent changes in 2020 annual report to OLAW
- Update Assurance at renewal, if necessary

---

Do we need to report institutional closures to OLAW or USDA?

**COVID FAQ VI.17.**

**NO**

Unless conditions develop that jeopardize the health or well-being of animals, which must be promptly reported to OLAW.

---

Can Assured institutions donate Personal Protective Equipment (PPE) and supplies acquired with NIH or USDA grant funds to local hospitals and health care facilities in support of COVID-19 efforts?

**COVID FAQ VI.18.**

**YES!**

Process
- Contact awarding IC to request administrative supplements to repurchase supplies.

See [NOT-OD-20-086](https://www.od.nih.gov/about/od-news/2020-086) (Flexibilities Available to Applicants and Recipients of Federal Financial Assistance Affected by COVID-19) for guidance on rebudgeting authority.
### Summary:

<table>
<thead>
<tr>
<th></th>
<th>USDA</th>
<th>OLAW</th>
</tr>
</thead>
<tbody>
<tr>
<td>Institutional disaster plan required?</td>
<td>No</td>
<td>Yes (as per the Guide)</td>
</tr>
<tr>
<td>Semiannual inspection delay allowed beyond 6 months + 30 days?</td>
<td>Yes</td>
<td></td>
</tr>
</tbody>
</table>
  - No waiver is required for delay  
  - Document delay  
  - Conduct immediately once able to safely do so (do not wait for next scheduled semiannual inspection) | Yes |  
  - Approved waiver from OLAW required for delay  
  - No waiver required if using existing flexibilities [NOT-00-20-088]  
  - Conduct inspection when safe  
  - Conduct subsequent inspection no later than 6 months + 30 days  
  - Keep IACUC members apprised of flexibilities prior to implementation  
  - Include permanent program changes in 2020 annual report to OLAW and Assurance at renewal |

### Summary, continued 1:

<table>
<thead>
<tr>
<th></th>
<th>USDA</th>
<th>OLAW</th>
</tr>
</thead>
<tbody>
<tr>
<td>Semiannual program review delay allowed beyond 6 months + 30 days?</td>
<td>Yes</td>
<td></td>
</tr>
</tbody>
</table>
  - No waiver is required for delay  
  - Document delay | No |  
  - No waiver is required if employing existing flexibilities [NOT-00-20-088]  
  - Use of ad hoc consultants  
  - Virtual meetings / telecommunications (see [NOT-00-06-052])  
  - E-signatures  
  - Keep IACUC members apprised of flexibilities prior to implementation  
  - Include permanent program changes in 2020 annual report to OLAW and Assurance at renewal |

### Summary, continued 2:

<table>
<thead>
<tr>
<th></th>
<th>USDA</th>
<th>OLAW</th>
</tr>
</thead>
<tbody>
<tr>
<td>Is delay of 3-year complete review permitted?</td>
<td>Not applicable</td>
<td>No</td>
</tr>
<tr>
<td>May IACUC meeting and the quorum requirements for FCR and protocol suspensions be waived?</td>
<td>No</td>
<td></td>
</tr>
</tbody>
</table>
  - Convened meetings are required to  
    - Conduct Full Committee Review  
    - Use existing flexibilities:  
      - Expanded DMR use  
      - Permissible telecommunications  
      - IACUC alternate members | No |  
  - Convened meetings required no more than once every six months (Guide) to:  
    - Conduct Full Committee Review  
    - Use existing flexibilities:  
      - Expanded DMR use  
      - Virtual meetings / telecommunications  
      - IACUC alternate members |
Summary, continued 3:

<table>
<thead>
<tr>
<th>USDA</th>
